FUTURE PLATFORM SHK+E ESSEN

EFFICIENTLY GEARED FOR TOMORROW

SHK+E ESSEN has been a key player in the market for over 50 years, evolving into one of the leading trade fairs in the sanitation, heating, air conditioning and electrics industries. It brings together HVAC professionals from the trades, installation, planning and consulting sectors in Germany's largest metropolitan area. As the first industry highlight of the year, SHK+E ESSEN looks to the future and presents cross-trade solutions and innovative products. Expert forums, special areas and the supporting programme focus on current topics, fostering targeted knowledge exchange within the industry.

Take advantage of SHK+E ESSEN to reach new customer groups. The trade audience includes professionals from various sectors, including those in the sanitary, heating, ventilation and electrics trades, as well as technical building equipment specialist planners, manufacturers from the heating and sanitary industries and architects.
